

Mrs. Gloria Montaño Greene is the Deputy Under Secretary for USDA's Farm Production and Conservation (FPAC) visits the North-South Institute and Producers.

Again, the North-South Institute would like to thank the Deputy Under Secretary for USDA's Farm Production and Conservation (FPAC) mission area, Mrs. Gloria Montaño Greene, for the visit to the project site in Boynton Beach, Florida under the Increasing Land Access (ILA) Project. Mrs. Montaño Greene, we would want to express how wonderful it was to see the exchanges between you and the farmers and the support you have highlighted for the project. We do look forward to further visits and will keep you apprised of the various activities and outcomes on the targeted project sites.

Thank You Deputy Under Secretary!
North-South Institute, Inc.
